Intimate Funeral

From £1,395

An Intimate Funeral provides a small group of family and friends a short time for private reflection and the chance to share a final few moments to say goodbye to their loved one, in the crematorium chapel, prior to cremation.

If required, ashes can be hand delivered in a simple container within 4 weeks of the cremation date; at a mutually agreed time Monday to Friday, AM (9am – 1pm) or PM (1pm – 5pm) at no extra cost. This service is only available within mainland Great Britain.

Family Led Funeral

From £1,895

A Family Led Funeral allows you to say goodbye to your loved one, your way. It provides a full-length service slot in the crematorium chapel for an unlimited number of attendees followed by a cremation. This type of funeral closely resembles what people may expect from a traditional funeral, when arranged with a service or ceremony organised by the family, but without the so often unwanted and unnecessary ceremonial excess and need for a funeral director.

If required, ashes can be hand delivered in a simple container within 4 weeks of the cremation date; at a mutually agreed time Monday to Friday, AM (9am – 1pm) or PM (1pm – 5pm) at no extra cost. This service is only available within mainland Great Britain.
